

WSHJA Scholarship Fund Tag sale

Thank you for selling your equestrian items through the tag sale. The profits from the sale that you designate will be contributed to the WSHJA scholarship fund. You may designate any percentage of the sale profits to go to the fund. (We require that you donate at least 25% to participate).

By recycling your items, it will help reuse great items that still have some use. Buyers of these items will love the opportunity to buy something at a great price. Clean out your closets!

Setting your sale price

Set your sale price knowing that the percent you designate will be subtracted from that amount. Remember that this sale is to raise money for Washington State riders to represent our state in qualified Finals around the country. Please be generous.

A guideline for a successful sale price of used items: Set your sale price at approximately 50% of the original retail value if item is in great shape; 30-40% of original value if in good shape but has some minor flaws or stains. If the item is brand new or barely used, then you may be able to sell it for 60-75% of its original value.

Example:

TS breeches, size 24, tan	50%	50	4.30	54.30	25	25
Essex shirt, size 16, white, 1 collar	100%	35	3.01	38.01	0	35
